thundered into the ears of the growth by so many fears and very time.

To day the House of Representative Globe, some (to them) astronolike facts, in relation to that brilled and substituted press. Pickens spoke till the Editor of the Madisonium, the pair in some content of the Editor of the Madisonium, the pair in source cracked into a thousand like all their candidates, Gales & Sentencould be also be substituted by the content of the County in the State, and one to many in the State, and one to make the Probate County. It is all present interest in the section of Madison County. It is all present interest for the House of Represent to the Final count, the pair interest in the section of the House of Represent to Marshall count, and the section of the House pieces, upon the subject; and like all their candidates, Galey & Sentens could having violated his piedge, to the friends judgeship. He is a gentleman of ve-Corolinians, his warmth betrayed him not be elected, finally joined the Con- of that great man is tales. into a glowing culogy of the South, servetives, and elected Allen. The I for any among many of the citizens littlent views," Old John Pape, of Kentucky, also had inheral support. to let oil a little steam on the occasion; and in fact all the members seemed to be boiling over with the burning thoughts within. I may except old John Quincy Adams, however, who sat and looked silently on, apparently very much amused at the wordy warfare. All the Whig members who spoke invariably gave a blow upon the Message and its author. In fact, all men of intelligence here, except office holders and seekers, regard the Message with feelings of indignation. Yesterday, 1 heard Mr. Clay in the Senare express his views of the Message in a single sentence. Immediately after the Secretary had finished reading it, he arose to second a motion for printing five hundred copies, and took that occasion to say

Mr. Tupper the joint Editor of this pawakking from the Tavern, towards the School of the Message in a single sentence. Of Mr. O. I. E. Stuart, I met them and Maj. Haley having introduced the subject of the election of United States and Maj. Haley having introduced the subject of the election of United States are conditionally for Mr. Van Buren's "remediately after the Secretary had finished reading it, he arose to second a motion for printing five hundred copies, and took that occasion to say

Mr. Tupper the joint Editor of this pawakking from the Tavern, towards the Gholson are pledged to "go the whole and Maj. Haley having introduced the subject of the election of United States Senato, remarked that he and Col. Phittips were of the same sentiments, and that to any National Bank whatever," says the Mississippian. How is it with device for the United States Senate although the Richmond Enquirer, the Rives and colors" now. Messrs. Claiborne and slore of which which which was introduced the subject of the election of United States week, have excluded much Editorial mat.

We are authorized to any National Bank whatever," says the Mississippian. How is it with the November of the same sentiments, and that to any National Bank whatever," says the Mississispian. How is it with the November of the same sentiments, and that the next November of the same sentiments, and that the next November of the same sentiments and the colors of the colors.

Mr. Tupper the joint Editor of this part of the same sentiments and state of the whole and Maj. Haley having introduced the subject of the election of United States are authorized to any National Bank whatever," says the next November of the same sentiments and the colors of the colors.

We are authorized to any National Bank their homes, at this inconvenient period of the year, to deliberate upon

The question whether Messrs. Claiborne and Gholson are entitled to their seats, will probably come up next derstood by the people that they the present reign of corruption will be of falschood, to be borne by him to whom and being in the counties of Madison were voting for members of Congress made at the coming Mississippi elections, it properly belongs. for two years instead of three months, Let the friends of the Constitution and the can we suppose the result would have can we suppose the result would have country then be on the alert; and not their canvass all the colours of the Chawith Messrs, Claiborne and Gholson upon the currency question, have given their votes for their opponents?
